

# Every Avenue - Tell Me I'm a Wreck

F tom:  
[Primeira Parte]

F  
I could have been easier on you  
I could have been all you held on to  
I know it wasn't fair, I tried my best to care  
about you  
F  
I know I could have been a better man  
But I always had to have the upper hand  
I'm struggling to see the better side of me

Pré-Refrão:

Dm  
But I cant take all your jabs and taunts  
Bb  
Your pointing out my every fault  
Dm  
And you wonder why I walked away

[Refrão]

F C  
When you tell me I'm a wreck, you say that I'm a mess  
How could you expect anything less  
F C Bb  
You latched on to me then cried I strung you along  
F C  
I told you when you asked, I knew this wouldnt last  
At least I could be honest about that  
F C Bb  
And now you're telling everyone how I only did you wrong  
I guess you never knew me at all

F C  
[Segunda Parte]

F  
Remember on my 21st birthday  
You took me where we went on our first date  
we stayed till closing time, after four glasses of wine  
F  
You started with a pointless argument

C Dm  
Said that I forgot to compliment  
The dress you wore that night, that I've seen a thousand times  
[Pré-Refrão]

Dm C  
But I think we just want different things  
Bb C  
I want space, you want a diamond ring  
Dm C  
Whatever made you think we were meant to be?

[Refrão]
