

# Everything But The Girl - Each And Every One

Tom: A

Intro:

F G A  
 F G Bb  
 F G A  
 F G E

Bm7 E7

Bm7 E7  
 If you ever feel the time

Bm7 E7  
 To drop me a loving line

Dbm7 Gb7  
 Maybe you should just think twice

Dbm7 Gb7 Ab7  
 I don't wait around on your advice

E7M Ebm7 Ab7 Ab7  
 You tell me I can go this far, but no more

E7M Ebm7 Ab7 Ab7  
 Try to show me heaven and then, slam the door

E7M Ebm7 Ab7 Ab7  
 You offer shelter at a price, much too dear

Dbm7 Gb6 Gb7  
 And your kind of love's the kind that soon disappears

Bm7 E7

Bm7 E7  
 So don't brag how you have changed

Bm7 E7  
 And everything's been rearranged

Dbm7 Gb7  
 I thought all that was over and done

Dbm7 Gb7 Ab7  
 But I still get the same from each and everyone

E7M Ebm7 Ab7 Ab7  
 Being kind is just a way to keep me under your thumb

E7M Ebm7 Ab7 Ab7  
 And I can cry because that's something, we've always done

E7M Ebm7 Ab7 Ab7  
 You tell me I'm free of the past now and all those lies

Dbm7 Gb6 Gb7  
 Then offer me the same thing in a different guise
