

Exaltasamba - Amor Voraz

Tom: G

Basta um sorriso ou talvez um olhar
 Um simples gesto seu pode apagar
 Um momento a sós e eu esqueço tudo

Em meio a tantos ventos, os mal
 Temporais
 Vou me perdendo nesse amor voraz
 E eu confesso cada vez te amo mais

Eu tento de odiar por um segundo

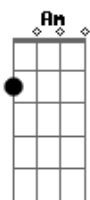

Mas sei que é em vão
 Não há amor maior do mundo

É sempre assim

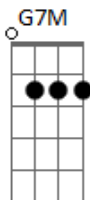

Basta o seu pedido de perdão pra mim
 E eu como um fraco volto e caio em suas mãos
 E a tempestade invade o meu coração
 É sempre assim

Busquei essas palavras só pra te dizer
 Não vivo sem você
