

Exaltasamba - Cartão Postal

Tom: C

Intro: Am7

Am7

Como sempre distraída

Te filmei você não viu

É a coisa mais bonita

O seu corpo de perfil

Pode parecer bobagem

Um impulso infantil

Meu amor chantagem

Mas você me seduziu

Te proponho, amor um trato

Que tal se render

Eu te dou o seu retrato

Mas quero você

Você na foto toda nua

Num banho de lua, Meu cartão postal

Meu corpo deu sinal deu sinal, deu sinal

O meu desejo continua, desejando a sua boca sensual

Meu sonho real

Você na foto toda nua

Num banho de lua, Meu cartão postal

Meu corpo deu sinal deu sinal, deu sinal

O meu desejo continua, desejando a sua boca sensual

Meu sonho real
