

# Exaltasamba - Luz do Desejo

Tom: D

Intro: A7 E Em A7 D7 Dm A7 E7/11

Apague a luz

Deita ao meu lado

Vem me seduz

Não é pecado

Não tenha medo

cuidado

Fazer amor é tão gostoso apaixonado

Apague a luz

Na intimidade

O amor conduz

Quando é verdade

Faz do meu sonho

Realidade

Vem meu amor apague a luz fique à vontade

Me abraça me beija me ama

Adoro sentir seu carinho

Me pega me arranha na cama

Me chama de amor com jeitinho

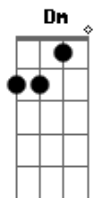

Me leva pro céu é gostoso

Na mais ardente emoção

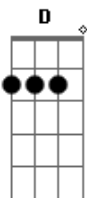

Apague a luz do desejo

Acesa no meu coração
