

# Exaltasamba - Megastar

Tom: E

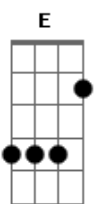

**E7** **B**  
 Pra te amar  
**A7** **Am**  
 Me desenhei  
**Dbm**  
 Um megastar  
**A** **B7** **B7**  
 Pra não sofrer em vão  
**E7** **B**  
 Pra te amar  
**A7** **Am**  
 Num sonho de luz  
**Dbm**  
 Sem solidão  
**A** **B7** **B7**  
 Foi minha maior missão  
**E7** **B**  
 E, certo de ser  
**A7** **Am**  
 Um homem feliz  
**Dbm**  
 Eu te amei  
**A** **B7** **E7**  
 Como jamais senti por alguém assim  
**B**  
 Amor eu senti  
**A7** **Am**

Amor eu senti  
**Dbm**  
 Senti  
**A7** **B7** **B7**  
 E ainda sinto ooo0  
  
**A7M** **Bb**  
 Mas a minha lágrima o vento seca  
**Dbm**  
 Na minha voz o peito se liberta  
**Bb**  
 Pois não foi em vão,  
 Não foi em vão  
**A7** **Abm** **Gbm**  
 O vento vai trazer  
**Am** **E7** **Bm7** - **E7**  
 Você pra mim  
  
**A7M** **Bb**  
 Mas a minha lágrima o vento seca  
**Dbm**  
 Na minha voz o peito se liberta  
**Bb**  
 Pois não foi em vão,  
 Não foi em vão  
**A7** **Abm** **Gbm**  
 O vento vai trazer  
**Am** **E7** **Bm7** - **E7**  
 Você pra mim
