

Exaltasamba - Pretinho Carente

Tom: C

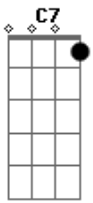

Sei que é difícil mais eu vou encontrar um alguém
 Pra viver, um amor pra valer...
 Eu não tô maluco sei que tem por ai, pensamentos assim
 como o meu, como o meu...
 Quero namorada de pracinha e de cinema,

Quero aquele tempo de namoro mais fiel,
 Quero aquela boca de beijar e arrepiar,
 Quero na verdade um amor pra eternizar...
 Quero alguém que possa cuidar
 De um pretinho carente que chora sem ninguém, sem ninguém...
 Quero alguém que possa me dar, um carinho que mande
 embora, o sofrer, o sofrer...
