

Exaltasamba - Sem Você Sou Nada

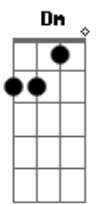

Tom: A

Papai do céu quero entender o que eu fiz pra sentir tanta dor
 Nunca sofri tanto assim essa saudade parece sem fim
 Chorar não quero não mais doi meu coração
 Ver o retrato da gente jogado no chão
 Porque sera que o fim faz sofrer tanto assim
 Só vai saber responder quem amou.

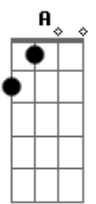

A E D E A

Se preciso for eu vou gritar
 Sou nada sem você
 Pra que machucar quem te quer bem
 Me abraça volta meu bem.
 Se preciso for eu vou gritar
 sou nada sem você
 Pra que machucar quem te quer bem
 Me abraça volta meu bem.
