

Exaltasamba - Telegrama

tom: E

Ah, que saudade de você

Estou a te esperar

E a dor ainda está no meu peito

Ah, nas ruas meu olhar fica a te procurar

A dor ainda está no meu peito

Ah, as marcas de batom

Num casaco de vison

Aquele beijo imaginar

Ah, com os amigos vou jogar

Bate papo e conversa fora

Pra tentar me segurar

Me liga, me manda um telegrama

Uma carta de amor

Que eu vou até lá, eu vou

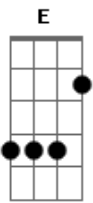

Que eu vou até lá, eu vou

Que eu vou até lá, eu vou

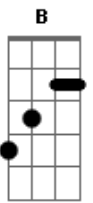

Que eu vou até láa

Ah, que saudade de você
