

# Exaltasamba - Todo Mundo Admira

Tom: F

Intro: F C7 F C7 C D7

De frente, de frente, de frente, de frente, de frente, de frente, de frente, de

Frente

De costas, de costas, de costas, de costas, de costas, de costas, de costas, de

costas,

Olhando assim de repente, ..... tem gente que não dá valor  
....

Mas a face oculta da moça ..... é um esplendor .....

Não é mole não, seu doutor ..... todo mundo admira ....

Ela é envolvente, batendo de frente )

Mas quando ela vira, mata a gente )

Ela é envolvente, batendo de frente )

Mas quando ela vira, mata a gente .... ) BIS

Ela é envolvente, batendo de frente )

Mas quando ela vira, mata a gente )

Ela é envolvente, batendo de frente )

Mas quando ela vira )

Mata a gente de amor e paixão

Pode crer meu irmão, vi malandro cair

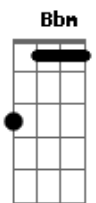

Vira o mundo de pernas pro ar

Faz o dólar baixar e o real subir

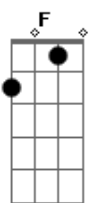

Solteiro ou viuvo, seguiu sua trilha

E pai de família na alça da mira, é!....
