

Exit mouse - This Is (Not) The End (feat. Caleb Hyles)

tom:

D
We're specks of dust

D D7 G
Hurling nowhere through unending void

D D7 G
We're blinks of time

D D7 G Gm
Clinging haphazardly to life

D D7 G Gm
There's a comfort in knowing the truth

D D7 G Gm
That there's no point to anything we do

D D7 G Gm
Every minute we waste is a gift

D D7 G
Our ambitions are ours to forget

D D7 G
Our kingdom's built

D D7 G
Knowing new worlds

Will rise from our bones

D D7 G
We play pretend

D D7 G
Till we run out of time in the end

D D7 G Gm
And we'll do it again 'till it's done

D D7 G Gm
But we know it's never enough

D D7 G
You can only get what you give

Gm
As the sky crashes down

F7M
Hold me firm 'till it's my turn again

D D7 G
(My turn again)

I want it to end

D D7 G
(Playing pretend)

This game of pretend

D D7 G
(Starting again)

To start over again

D D7 G
(Oh, hold me close)

Dm F7M
To start over again

G D
(Is this the end?)
