

Experimento Terra Vermelha - Canto para Xangô

Tom: C

m

Xangô mandou trovão

E da pedreira vi raio descer

O raio desce justo

Do alto da pedreira

Do reino de oió

Bradou o rei xangô

Um clarão no céu chamou

Entra pra luta xangô

Manda justiça xangô

O levante vem do beco

Das pedras do bbadauê

A cangalha se quebrou

Na encruza uma faísca

Das terras de iorubá

Mestre moa e xangô

Um clarão no céu chamou

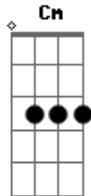

Entra pra luta xangô

Manda justiça xangô
