

# Extreme - Flow

Tom: C  
Intro: Dm C G Am7

E C E  
pull the shades lock the door  
Am C F  
somebody is looking for vovo  
C E  
she don't wanna come out today  
Am C F  
she would rather stay inside and play  
C E  
all day she'll stay  
Am C F  
holding all her children in her arms  
C E  
away from harm  
it's all she ever wanted

E D E  
i was only just beginning to say  
D E  
all the things that couldn't be said  
D E D  
then they come and take you away

F C  
i love you i love you  
G Am  
i don't care who hears me

F C G  
i know that it's uncool to sing it  
Am F C  
it's just that i'm tired of trying  
G Am  
to find different ways to say that  
F C  
i love you i love you  
G Am  
it's all that i'm feeling

E C E  
someone please shed some light  
Am C F  
where is the narrator in my life  
C E  
maybe he doesn't know where i've fled  
Am C F  
running through the city in my head  
C E  
i shed regret

E D  
now i see the credits rolling  
E  
the end  
D E  
this movie can't be over not yet  
D  
there's no happy ending no one said  
i love you
