

Extreme - Flow

Tom: C
Intro: Dm C G Am7

E C E
pull the shades lock the door
Am C F
somebody is looking for vovo
C E
she don't wanna come out today
Am C F
she would rather stay inside and play
C E
all day she'll stay
Am C F
holding all her children in her arms
C E
away from harm
it's all she ever wanted

E D E
i was only just beginning to say
D E
all the things that couldn't be said
D E D
then they come and take you away

F C
i love you i love you
G Am
i don't care who hears me

F C G
i know that it's uncool to sing it
Am F C
it's just that i'm tired of trying
G Am
to find different ways to say that
F C
i love you i love you
G Am
it's all that i'm feeling

E C E
someone please shed some light
Am C F
where is the narrator in my life
C E
maybe he doesn't know where i've fled
Am C F
running through the city in my head
C E
i shed regret

E D
now i see the credits rolling
E
the end
D E
this movie can't be over not yet
D
there's no happy ending no one said
i love you

Acordes
