

# Extreme - Ghost

Tom: C

C C  
 Tell me, there's no need to be afraid  
 Am  
 They're only shadows cast, past this place  
 C Bb  
 Where voices carry at the speed of sound  
 Am G  
 If I should cry before they lay me down

F Am  
 Sorry for the words, words I left unsaid  
 F Am  
 Sorry being one of the words I did forget  
 F Ab  
 All the time we spent, wasted in the end  
 Am G  
 Every precious moment taken for granted

F  
 There in the corner of my mind  
 Am  
 Lies the weight of my regret  
 F  
 Between the shadow and the light  
 G  
 Ghost you're in my head

C C  
 Shelter from the storm when I sleep  
 Am  
 There's comfort in the morn, a siren sings  
 C Bb  
 If only for a moment, I can breathe  
 Am G  
 The thought of you comes crashing through on me

F Am  
 Sorry for the words, words I left unsaid  
 F Am  
 Sorry being one of the words I did forget  
 F Ab  
 All the time we spent, wasted in the end  
 Am G  
 Every precious moment taken for granted  
 F

There in the corner of my mind

 Between the shadow and the light  
 G F Am  
 Ghost you're in my head  
 F G  
 Ghost you're in my head

C  
 Tell me, there's no need to be afraid  
 Am  
 They're only shadows cast past has played  
 C Bb  
 Where voices carry at the speed of sound  
 Am G  
 If I should die before I lay me down

( F Am )  
 ( F Am )  
 ( F Ab )  
 ( Am G )

F Am  
 I'm sorry for the way, the way I treated you  
 F Am  
 A little bit too late, but if you only knew  
 F Ab  
 I'd take away the pain, pain I put you through  
 Am G  
 I'd do it all again walking in your shoes

F  
 There in the corner of my mind  
 Am  
 Lies the weight of my regret  
 F  
 Between the shadow and the light  
 G F Am  
 Ghost you're in my head  
 F G  
 Ghost you're in my head
