

Eyshila - Tenho Sede

Tom: F

Intro: Dm Am Dm Am

Tenho Sede de Ti,
 Tenho fome da tua Presença
 Es meu sustento
 Carente aflito
 por tua presença oh Cristo estou
 Esta paz que vence a guerra
 que transpoe as Eras
 Eu me sustento nela

mata a sede de minha alma
 Eu irei alem do que meus olhos podem ver
 com as aguas do teu rio vou correr
 remar contra o mundo
 e seguir neste Rio de amor
 Eu mergulho esta fonte é meu tudo
 a terra seca vai florescer
 Por onde essa água correr
 histórias irão mudar
 Tenho sede só tu podes me saciar
