

Ezra Furman - Every Feeling

Tom: C

(forma dos acordes no tom de G)
 Capotraste na 5ª casa

I'm gonna feel every feelin' in the book tonight
 Fuck the hurt
 Fuck the pain, fuck the panic, fuck the hate
 I'm gonna feel every feelin' in the book tonight
 And only love, only love and happiness will remain

Only love and happiness will remain
 I'm gonna feel every feelin' in the book tonight
 Fuck the panic, fuck the hurt, fuck the sadness, fuck the shame
 I'm gonna feel every feelin'
 Only love
 Only love will remain
 Only love will remain
