Verse 1:

remeber when you got your first drum set
 and how we used to practice in the basement
 when i was singing like billy joe
 (don't wanna be an american idiot)
 summer time came the concert
 mcdonalds wouldn't let me book it off work
 so I called in sick the night of the show

Refrain:

the crowd was screaming ^Gencore ^F

(Repeat Chorus)

Verse 2:

soon enough we went
 and got a tour bus
 all the girls were
 screaming just to fucking touch us
 they all wanted to take us home
 now everywhere we look
 we see our faces
 but we know that well
 never let that change us
 until oprah lets us play on her show
 (play on play on her show)

(Repeat Refrain)

Chorus 2:

 yo only get one shot (one shot!)
 gotta take that chance
 and make it last

we will rock you
 were going scream it out
 with the crowd tonight
 we will rock you
 everybody singing
 every word from every line

 this is everything
 weve ever dreamed of

remeber getting drunk
 around the campfire
 writing stupid songs about
