

# Faber Drive - You And I Tonight

Tom: C

C G  
Tonight a candle lights the room,  
C G  
Tonight it's only me and you,  
C G  
Your skin like gravity  
Am F  
Is pulling every part of me,  
C G Am F  
I fall, you and collide

(Chorus)

C G  
What if I stay forever?  
Am F  
What if there's no goodbye?  
C G Am F  
Frozen for a moment here in time,  
F  
Yeah,  
C G  
If you tell me the sky is falling,  
Am F  
Or say that the stars collide,  
C G  
The only thing that matters in my life,  
F C G Am F  
Is you and I tonight

(Verse Two)

F C G  
Our eyes close the candle burns away,  
C G Am F  
But I know the fire still remains  
C G  
This love is all we need  
Am F  
We fit together perfectly,  
C G Am F  
I fall, you and I collide

(Chorus)

Am F C G  
What if I stay forever?  
Am F  
What if there's no goodbye?  
C G Am  
Frozen for a moment here in time,  
F  
Yeah,  
C G  
If you tell me the sky is falling,  
Am F  
Or say that the stars collide,  
C G Am F  
The only thing that matters in my life,  
F C G Am F  
Is you and I tonight

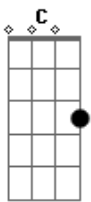

(Bridge)

F  
I wanna see this through  
C G  
I'm gonna give it all to you  
C G Am F  
Tonight a candle lights the room  
Am F  
Tonight, it's only me and you, oh

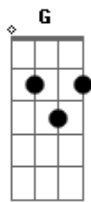

(Chorus)

C G  
What if I stay forever?  
Am F  
What if there's no goodbye?  
C G Am  
Frozen for a moment here in time,  
F  
Yeah,  
C G  
If you tell me the sky is falling,  
Am F  
Or say that the stars collide,  
C G Am  
The only thing that matters in my life,  
F C  
Is you and I tonight
