

Fabiano Santana - Me Faz Incendiar

Tom: C

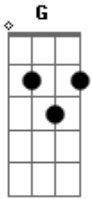

Tá cheio de gente, o forró tá quente, gostoso que só
 No toque do fole a moçada se agita
 O corpo se assanha, chega a dar um nó
 E nessa pisada, eu não penso em mais nada, só quero dançar

Teu corpo moreno preso em meus braços
 Teu cheirinho bom é o que me faz gamar
 Me faz, me faz gamar
 E arrebenta o coração
 Me faz incendiar
 Uma fogueira de tanta paixão
