

# Fabiano Santana - Um Instante Para Reviver

Tom: G

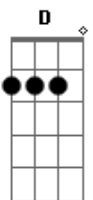

Se eu parasse o tempo  
 E pudesse escolher  
 O momento que eu quisesse  
 Um instante para reviver  
 Por mais curto que fosse  
 Tão breve ou sem permanecer  
 Escolheria com toda certeza  
 O primeiro encontro entre mim e você

Congelaria aquele teu olhar  
 E o relógio sem poder correr  
 Te abraçaria com todo carinho  
 O amor iria aquecer  
 Não trocava por nada no mundo  
 Essa nossa chance de realizar  
 Tudo que eu sempre quis  
 Pra gente ser feliz  
 É deste sonho, nunca acordar
