

Fábio Jr. - Banguê Clangue Cabô

Tom: D

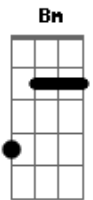

Bm **Gbm**
 Estávamos eu e Sergio Sá
Em **A7** **D**
 Conversando com o piano
Bm **Gbm**
 Tentando encontrar uma música
Em **A7**
 Que não tivesse nada a ver com esse disco
Bm **A**
 A noite corria, o papo rolava
G **A7** **D**
 E a gente não achava nada
G **Gbm**
 Até que ele disse: - "Pintou uma luz !?"
E7 **A7**
 E de repente começou a cantar
D
 Banguê clangue maxwell silver hammer comes down upon her head
 Clang clang maxwell silver hammer made sure that she was dead?

Bm **Gbm**
 Achei um barato a idéia
Em **A7** **D**
 E a gente se pôs a procurar
Bm **Gbm**
 Temas de letra e de melodia
E7 **A7**
 Que fizessem todo mundo cantar
G **Gbm**
 Falemos de amor, de vida futura
Em **A7** **D**
 De crise, de política
Bm **Gbm**
 Mas tá tudo aí na cara do povo
E7 **A7**
 A gente nem precisa falar
(D)
 "Bang clang maxwell silver hammer comes down upon her head
 Clang clang maxwell silver hammer made sure that she was dead?
 "Bang clang maxwell silver hammer comes down upon her head
 Clang clang maxwell silver hammer made sure that she was dead?
 Bang clang cabo !
