Intro: G Gbm F Em Eb

 G Gbm F Em Eb

É que eu vivi iê, iê à beira da louc\_\_\_\_\_ura

É que eu senti que o meu lugar estava al\_\_-i

Eu compreendi que o louco era fa\_\_\_\_\_se

E entendi a mais do que a vida traz pra si

E o pensamento foi o mais fundo em mim

E quem acordou o meu futuro

À beira da loucura eu encontrei o amor

Aquela criatura mudou em mim  
 E desistir do encanto não estava nos meus planos  
 E encobri em mim à beira do amor trocando assim

À beira da loucur\_\_\_\_\_a desistiu de mim

A beira loucura desistiu de mim

Paixão é minha cura

A culpa não existe mais em mim

À beira da loucura de-desistiu de m\_\_\_\_\_im

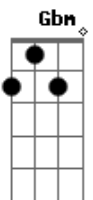

Paixão é minha cura

Cora\_\_\_\_\_ção existe em mim
