

# Fabio Soares - Meu Acalanto

tom:

Intro: B Gb7 Dbm  
 E B Gb7  
 B Gbm B7 E  
 B Gb7 B

No teu sorrir

No teu olhar

Meu acalanto

Luz do anejar

Me faz rumar

Ao teu encanto

Que é minha paz

Inspiração

Onde me rendo

Sempre que volto

Do corredor

No qual me estendo

És a razão

Do meu cantar

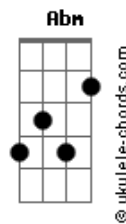

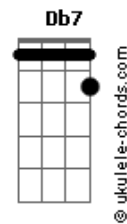

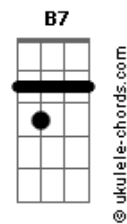

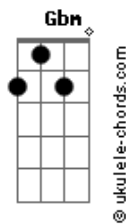

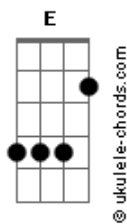

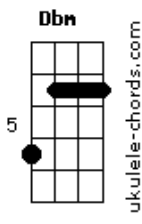

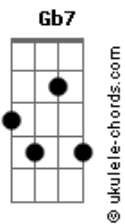

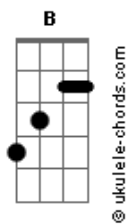

Na mi?a jornada

Quando a coplita

Brota na mente

Junto a tropeada

## Acordes

Vejo teu rosto

Em cada flor

A florescer

Bate a saudade

De estar contigo

Meu bem-querer

( E Abm Dbm )  
 ( Gb7 B B7 )

És a razão

Do meu cantar

Na mi?a jornada

Quando a coplita

Brota na mente

Junto a tropeada

Vejo teu rosto

Em cada flor

A florescer

Bate a saudade

De estar contigo

Meu bem-querer
