

# Fabrizio De André - La Canzone Di Barbara

Tom: Bb  
Intro: Dm Am Dm G7 C Dm E7 Am Dm E7 Am

Chi cerca una bocca infedele

Che sappia di fragola e miele

In lei la troverà

Barbara

In lei la bacerà

Barbara.

Lei sa che ogni letto di sposa

È fatto di ortiche e mimosa

Per questo ad un'altra età

Barbara

L'amore vero rimanderà

Barbara.

Dm Am Dm G7 C Dm E7 Am Dm E7 Am G7

E intanto lei gioca all'amore

Scherzando con gli occhi ed il cuore

Di chi forse la odierà

Barbara

Ma poi la perdonerà

Barbara.

E il vento di sera la invita

A sfogliare la sua margherita

Per ogni amore che se ne va

lei lo sa

Un altro petalo fiorirà

Per barbara
