

# Fael di Sampa - Nem de Graça

tom:

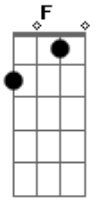

Intro: Ebadd9 F Gm Bb

É que não sobrou espaço pra outro alguém  
 Minha Saudade só cabe no teu abraço, no de mais ninguém  
 Tenho dó de quem me conhecer agora  
 Que todo amor eu tô jogando fora  
 E qualquer um que bate aqui nesse meu coração

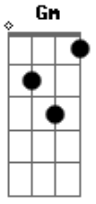

Não passa nem dá por\_\_\_\_\_ta

Se essa boca não beijasse tão bem  
 Se esse abraço não fosse tão massa  
 Se quer saber se eu quero outro alguém  
 Nem de graça, nem de graça  
 Leva mal não  
 Só tem espaço pra você no coração
