

# Fael e Fabiano - Duvido

Tom: G

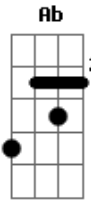

É, depois de tantas brigas finalmente eu te perdi  
 Não, eu nunca imaginei que esse dia pudesse chegar  
 Achei que você seria  
 Minha pra sempre, mas não  
 Queria ter te dado muito mais

Agora como é que faz? Você tem outro (tem outro)  
 Mas eu duvido  
 Que ele diga aquilo sussurrando no ouvido  
 Duvido  
 Que ele dê beijinhos do pescoço ao umbigo  
 E digo  
 Que sempre será menos do que era comigo (duvido)
