

Fafá de Belém - Vida

Tom: D

Chico Buarque

[Intro:] D Db7 Gbm D7 A Ab7 Abm7 Db

Gbm D A7M Am7 Am Am7

Vida, minha vida, olha o que é que eu fiz

Am Am Am D

Deixei a fatia mais doce da vida

Db7 Gbm D7

Na mesa dos homens de vida vazia

A Ab7 Abm7 Db

Mas, vida, ali, quem sabe, eu fui feliz

Vida, minha vida, olha o que é que eu fiz

Verti minha vida nos cantos, na pia

Na casa dos homens de vida vadia

Mas, vida, ali, quem sabe, eu fui feliz

Gbm Dm Dm A D G7M Gb7

Luz, quero luz sei que além das cortinas são palcos azuis

D7 Db7 D Db7

E infinitas cortinas com palcos atrás

Gbm D7

Arranca, vida, estufa, veia

A Ab7 Abm7 Db

E pulsa, pulsa, pulsa, pulsa, pulsa mais

Mais, quero mais, nem que todos os barcos recolham ao cais

Que os faróis da costeira me lancem sinais

Arranca, vida, estufa, vela

Me leva, leva longe, longe, leva mais

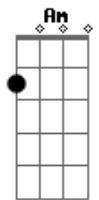

Vida, minha vida, olha o que é que eu fiz

Toquei na ferida, nos nervos, nos fios

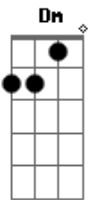

Nos olhos dos homens de olhos sombrios

Mas, vida, ali, eu sei que fui feliz
