

Fagner - Além do cansaço

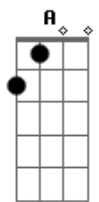

Tom: Bb

Petrucio Maia & Brandão
Int.: (Bb C D)

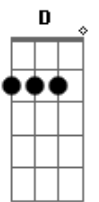

D F Eb F
Quando não houver mais música no ar
Eb Cm
Nem houver sorrisos em volta
Eb Cm
Quando nada na tarde morta
Eb F
Além do cansaço da vida falar
Dm Gm
Quando o cigarro irritar a garganta
Bb C Dm
E a bebida nos lábios queimar
Bb Gm
E a presença de alguém que ainda canta
Bb C Dm
Não consiga no peito cantar
Gm C
Quando a rua, a casa e a porta
Bb C Dm
Não mais falem de ir ou chegar
Gm C
Quando não mais houver poesia

Bb C F
Na triste canção de uma mesa de bar
Dm Dm
É preciso entender que perdida
E E7 A A
Pela vida uma estrada caminha
D D C G
E que uma cidade sozinha
C A7 Dm
Não comporta a procura da vida
Gm
É preciso sair pelo mundo
Bb C Dm
Procurando somente encontrar
G
É preciso alcançar a aurora
Bb C Dm
Que a noite teimou em fazer não chegar
Gm C
É preciso entender que a vida
Bb C Dm
Quer um jeito de resistir
Gm C
E é preciso saber que agora
Bb C D
Aurora não pode esperar por vir
