

Fagner - Amor Escondido

Tom: D

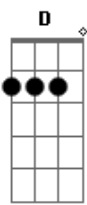

Quando se tem um amor escondido
 Querendo aflorar
 É se guardar um rio perdido
 Que não encontra o mar
 Mas brilha tanto cada sorriso
 E brilha mais que o olhar
 Quando o desejo é claro e preciso
 Quem pode ocultar
 Tento esquecer te digo baixinho

Não sei se vou voltar
 Mas nada prende mais que um carinho
 Já vou te procurar
 Vai pensamento voa no vento
 Vai bem depressa corre pra lá
 Conta pra ela meu sofrimento
 Diga pra me esperar
 Se passo o dia sem seu carinho
 Me sinto sufocar
 Pássaro mudo longe do ninho
 Sem força pra voar
