Tom: D

Intro: D E D D E Bm D E Bm Gbm G A A

D E D  
Longe de ti são ermos os caminhos

D E D  
Longe de ti não há luar nem rosas

D Gb7 Bm  
Longe de ti há noites silenciosas

G A7 D  
Há dias sem calor, beirais sem ninhos

D E D  
Meus olhos são dois velhos pobrezinhos

D E D  
Perdidos pelas noites invernosas

Abertos sonham mãos cariciosas

G A7 D  
Tuas mãos doces, plenas de carinhos

Bm Gbm Bm  
Os dias são outonos, choram, choram

Gbm Bm  
Há crisântemos roxos que descoram

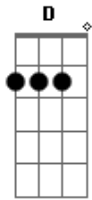

D E D  
Há murmúrios dolentes de segredos

E D  
Invoco o nosso sonho, estendo os braços

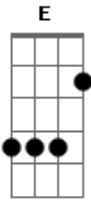

Gb7 Bm  
E é ele, ó meu amor, pelos espaços

G A7 D  
Fumo leve que foge entre os meus dedos
