

Fagner - Pobre Bichinho

Tom: C
 Intro: (G B) (4x)
 Dm C G Am B7
 Fdim Adim Fdim B Em

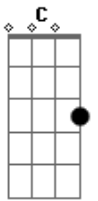

Sem querer foi me dando um desespero
 De te amar feito louco de corpo a dentro
 Mendigando o teu beijo a todo momento
 Fazendo de mim mesmo um so tormento

Como a lua que brilha no firmamento
 Como o sol que aquece o meu caminho
 Como a noite que chora do meu lamento
 Sou mais um que desperta longe do ninho
 Meu caminho e deserto e tenebroso
 Meu cavalo alazao so me faz carinho
 Quando eu durmo me perco no pensamento
 Ele fica chorando pobre bichinho
