

# Fagner - Tempo dos Pardais

tom:

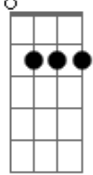

Intro: Em Am Gbm7 B7 Em

Era uma vez  
Um tempo de pardais  
De verde nos quintais  
Faz muito tempo atrás  
Quando ainda havia fadas  
Num bonde havia um anjo pra guiar  
Outro pra dar lugar  
Pra quem chegar sentar  
De duvidar, de admirar  
Havia frutos num pomar qualquer de se tirar do pé  
No tempo em que os casais podiam mais  
Se namorar

Nos lampiões de gás em os ladrões atrás  
Tempo em que o medo se chamou jamais  
Veio um marquês de uma terra já perdida  
E era uma vez se fez dono da vida  
Mandou buscar cem dúzias de avenidas  
Pra expulsar de vez as margaridas  
Por não ter filhos, talvez por nem gostar  
Ou talvez mania de mandar  
Só sei que enquanto houver os corações  
Nem mesmo mil ladrões  
Podem roubar canções  
E deixa estar, que há de voltar  
O tempo dos pardais  
Do verde dos quintais  
Tempo em que o medo se chamou jamais
