

## Faith No More - Edge of the World

Tom: C Intr: Am G Am G

Am G Come here, my love I'll tell you a secret Come closer, now

I want you to believe it believe it

I'll tell you all the things You want to hear Don't worry, baby

There's nothing to fear

Am G Hey, little girl Would you like some candy?

Look into my eyes I've seen it all Hand in hand Together we fall

A G

We'll sing and dance And we'll find romance

D C

And we'll stroll to the edge of the world

Am G

Come sit right down Lay your head on my shoulder It's not the point That I'm forty years older

You can trust me I'm no criminal But I'd kill my mother To be with you

A G We'll sing and dance And we'll find romance

And we'll stroll to the edge of the world

Give me a smile Let me see those pearlies I'll do anything For the little girlies...
