

# Faith No More - Falling To Pieces

Tom: A  
Intro: (A )

(A )  
Back and forth, I sway with the wind  
Resolution slips away again  
Right through my fingers, back into my heart  
Where it's out of reach and it's in the dark  
(D )  
Sometimes I think I'm blind  
Or I may be just paralyzed  
(A )  
Because the plot thickens every day  
And the pieces of my puzzle keep crumblin' away  
But I know, there's a picture beneath  
E D E D  
Indecision clouds my vision  
D E D  
No one listens  
A D E  
Because I'm somewhere in between  
A D E  
My love and my agony  
A D E  
You see, I'm somewhere in between  
G  
My life is falling to pieces  
(A )  
Somebody put me together  
(A )  
Layin' face down on the ground  
My fingers in my ears to block the sound

My eyes shut tight to avoid the sight  
Anticipating the end, losing the will to fight  
(D )  
Droplets of "yes" and "no"  
In an ocean of "maybe"  
(A )  
From the bottom, it looks like a steep incline  
From the top, another downhill slope of mine  
But I know, the equilibrium's there

Indecision clouds my vision
