Ending

I'm sleeping my way out of this one  
With anyone who will lie down  
I'll be stuck fixated on one star  
When the world is crashing down

I keep telling myself  
I keep telling myself  
I'm not the desperate type  
But you've got me looking through the blinds  
I keep telling myself  
I keep telling myself  
I'm not the desperate type

Sitting out dances on the wall  
Trying to forget everything that isn't you  
I'm not going home alone  
'Cause I don't do too well  
Sitting out dances on the wall  
Trying to forget everything that isn't you  
I'm not going home alone  
'Cause I don't do too well on my own

The only thing worse than not knowing  
Is you thinking that I don't know  
I'm having another episode  
I just need a stronger dose

I keep telling myself  
I keep telling myself  
I'm not the desperate type  
But you've got me looking through the blinds  
I keep telling myself  
I keep telling myself  
I'm not the desperate type

Sitting out dances on the wall  
Trying to forget everything that isn't you  
I'm not going home alone  
'Cause I don't do too well  
Sitting out dances on the wall  
Trying to forget everything that isn't you  
I'm not going home alone  
'Cause I don't do too well on my own

I keep telling myself  
I keep telling myself  
I'm not the desperate type  
But you've got me looking through the blinds

(I keep telling myself  
I keep telling myself  
I'm not the desperate type)

Sitting out dances on the wall  
Trying to forget everything that isn't you  
I'm not going home alone  
'Cause I don't do too well on my own
