

Fall Out Boy - Alone Together

Tom: E

I don't know where you're going
 But do you got room for one more troubled soul
 I don't know where I'm going but I don't think I'm coming home
 I said I'll check in tomorrow if I don't wake up dead
 This is the road to ruin
 And we're starting at the end

Say yeah... Let's be alone together
 We could stay young forever
 Scream it from the top of your lungs
 Let's be alone together
 We could stay young forever
 Scream it from the top of your lungs
 (E Db)

Cut me off, I lost my track
 It's not my fault, I'm a maniac it's not funny anymore, No it's not
 My heart is like a stallion
 They love it more when it's broke in
 Do you wanna feel beautiful, Do you wanna
 I'm outside the door, Invite me in
 So we can go back, And play pretend
 I'm on deck, I'm up next, Tonight I'm high as a private jet

I don't know where you're going
 But do you got room for one more troubled soul
 I don't know where I'm going but I don't think I'm coming home
 I said I'll check in tomorrow if I don't wake up dead
 This is the road to ruin
 And we're starting at the end.

This is the road to ruin
 And we're starting at the end
 Say yeah... Let's be alone together
 We could stay young forever
 Scream it from the top of your lungs
 Say yeah... Let's be alone together
 We could stay young forever
 Scream it from the top of your lungs

 Scream it on
