

Fall Out Boy - Champion

Tom: C

Am C G Dm
 Champion, champion
 I'm calling you from the future
 G Dm
 To let you know we made mistakes
 Am
 And there's a fog from the past
 C G Dm
 That's giving me, giving me such a headache
 Am
 And I'm back with a madness
 C
 I'm a champion of the people who don't believe in champions
 G
 I got nothing but dreams inside
 Dm
 I got nothing but dreams
 Am C
 I'm just young enough to still believe, still believe
 G
 But young enough not to know what to believe in
 Young enough not to know what to believe in, yeah
 F
 If I can live through this
 Am
 If I can live through this
 G
 If I can live through this
 G
 I can do anything
 F
 If I can live through this
 Am
 If I can live through this
 G
 If I can live through this
 G
 I can do anything
 Am C
 Champion, champion
 G Dm
 Champion, champion
 Am
 I got rage every day, on the inside
 C
 The only thing I do is sit around and kill time
 G Dm
 I'm trying to blow out the party light, I'm trying to blow out
 the light
 Am C
 I'm just young enough to still believe, still believe
 G
 But young enough not to know what to believe in
 Young enough not to know what to believe
