Tom: D

Intro: Bm G D A

[VERSE 1]

Bm G  
Do you do, do you remember  
D A  
When we drove, we drove, drove through the night  
Bm  
And we danced, we danced  
G D A  
To Rancid, and we danced, we danced  
Bm G  
And I confessed, confessed to you  
D A  
Riding shotgun underneath the purple skies  
Bm  
And we danced, we danced  
G D A  
With windows down, and we danced, we danced

[PRE-CHORUS]

Bm G  
I'll spin for you like your favorite records used to  
D A  
I'll spin for you like your favorite records used to

[CHORUS]

Bm G  
You were the song stuck in my head  
D A  
Every song I've ever loved  
Bm G  
Played again and again and again  
D A  
And you can get what you want but it's never enough  
Bm G D A  
And I'll spin for you like your favorite records used to  
Bm G

And I'll spin for you like your favorite records used to

[VERSE 2]

Bm G  
And I can't, I can't, I can't remember  
D A  
Just how to forget, forget the way  
Bm  
That we danced, we danced  
G D A  
To Danzig, and we danced, we danced  
Bm G  
And when you asked, you asked me how I'm doing  
D A  
Like you know, you know how much better off I am  
Bm  
And when we danced, we danced  
G D A  
With windows down, and we danced, we danced

[PRE-CHORUS]

Bm G  
I'll spin for you like your favorite records used to  
D A  
I'll spin for you like your favorite records used to

[CHORUS]

Bm G  
You were the song stuck in my head  
D A  
Every song I've ever loved  
Bm G  
Played again and again and again  
D A  
And you can get what you want but it's never enough  
Bm G D A  
And I'll spin for you like your favorite records used to  
Bm G D A  
And I'll spin for you like your favorite records used to
