My heart ticks in beat with these kids that I grew up with.
living like life's going out of style.
You came to watch us play...like a "Big shot talent,"
but at the end of the day you know where we come from and where we call home.

Hey Chris, you were our only friend.
I know this is belated, but we love you back.

They'll say it's not worth it.
So we'll leave this town in ruin.
living like life's going out of style.
You came to watch us play...like a "Big shot talent,"
but at the end of the day you know those busted lips we take back home.

I know you would be there either way.
I'm so glad it seems like these times will never fade.
So I'll tell everyone how much this means to me.
