Fall Out Boy - Heaven's Gate

Tom: A

```
                A
One look from you
               Bm
And I'm on that faded love
          Gbm
Out of my body
    E      Gbm
And flying above

D             A
If there were any more left of me
              Bm
I'd give it to you
                          Gbm
And I'll tell you that I am fine
                         E          Gbm
But I'm a missile that's guided to you

   D          Gbm                  D         A
Go out in the world to start over again and again
   Gbm    D         A
As many times as ya can
          Gbm                     D      A
And in the end if I don't make it on the list
          Gbm        D      A
Would you sneak me a wristband?
