Fall Out Boy - Just One Yesterday

Tom: A

```
   Gbm
I thought of angels
A
Choking on their halos
E                       Bm
Get them drunk on rose water
Gbm
See how dirty I can get them
A                        E
Pulling out their fragile teeth
                        Bm
And clip their tiny wings

               D           Gbm            A
Anything you say can and will be held against you
    E              Bm
So only say my name
    Gbm             A
It will be held against you
E              D           Gbm            A
Anything you say can and will be held against you
E                Bm
So only say my name

             Gbm                 D
If heaven's grief brings hell's rain
          A                          E
Then I'd trade all my tomorrows for just one yesterday
Gbm
(I know I'm bad news)
D
For just one yesterday
A                       E
(I saved it all for you)
                        Gbm                          D
I want to teach you a lesson in the worst kind of way
          A                          E
Still I'd trade all my tomorrows for just one yesterday
Gbm
(I know I'm bad news)
D
For just one yesterday
A
(I saved it all for you)
E
For just one yesterday

Gbm                               A
Letting people down is my thing baby
                        E
Find yourself a new gig
                        Bm
This town ain't big enough for two of us
Gbm
I don't have the right name
A
O-o-or the right looks
E                       Bm
But I have twice the heart

               D           Gbm            A
Anything you say can and will be held against you
    E              Bm
So only say my name
    Gbm             A
It will be held against you
E              D           Gbm            A
Anything you say can and will be held against you
E                Bm
So only say my name

             Gbm                 D
If heaven's grief brings hell's rain
          A                          E
Then I'd trade all my tomorrows for just one yesterday
Gbm
(I know I'm bad news)
D
For just one yesterday
A                       E
(I saved it all for you)
                        Gbm                          D
I want to teach you a lesson in the worst kind of way

Still I'd trade all my tomorrows for just one yesterday
Gbm
(I know I'm bad news)
D
For just one yesterday
A
(I saved it all for you)
E
For just one yesterday

  Gbm  E          D
If I spilled my guts
     Gbm               E                Bm   D
The world would never look at you the same way
     Gbm     E                   D
I'm here to give you all of my love
    Gbm                          E            D
So I can watch your face as I take  it all away (away,
away...)

             Gbm                 D
If heaven's grief brings hell's rain
          A                          E
Then I'd trade all my tomorrows for just one yesterday
Gbm
(I know I'm bad news)
D
For just one yesterday
A                       E
(I saved it all for you)
                        Gbm                          D
I want to teach you a lesson in the worst kind of way
          A                          E
Still I'd trade all my tomorrows for just one yesterday

For just one yesterday

For just one yesterday
