

# Fall Out Boy - Sugar, We're Goin Down

Tom: G  
( D G Bm G )

**Am** I more than you bargained for yet?  
**Bm** I've been dying to tell you anything  
you want to hear, cause that's just who I am this week  
Lie in the grass next to the mausoleum  
I'm just a notch in your bedpost, but your just a line in a song

**Bm** Drop a heart, break a name  
We're always sleeping in and sleeping for the wrong team

We're going down down in an earlier round,  
and sugar we're going down swinging  
I'll be your number one with a bullet  
a loaded god complex cock it and pull it  
We're going down down in an earlier round,  
and sugar we're going down swinging  
I'll be your number one with a bullet  
a loaded god complex cock it and pull it

( Gb G D )

Is this more than you bargained for yet  
Oh don't mind me I'm watching you two from the closet  
Wishing to be the friction in your jeans  
Isn't it messed up how I'm just dying to be him  
I'm just a notch in your bedpost, but you're just a line in a song

**Bm** Drop a heart, break a name  
**G** We're always sleeping in and sleeping for the wrong team

We're going down down in an earlier round,  
and sugar we're going down swinging  
I'll be your number one with a bullet  
a loaded god complex cock it and pull it  
We're going down down in an earlier round,  
and sugar we're going down swinging  
I'll be your number one with a bullet  
a loaded god complex cock it and pull it  
We're going down, down in an earlier round, and sugar we're going down swinging  
I'll be your number one with a bullet, a loaded god complex cock it and pull it  
We're going down, down in an earlier round (take aim at myself)  
And sugar, we're going down swinging (take back what you said)  
I'll be your number one with a bullet (take aim at myself)  
A loaded God complex, cock it and pull it

**D** We're going down down (Down Down )  
**G** We're going down down (Down Down )  
**Bm** We're going down down (Down Down )  
**G** A loaded god complex cock it and pull it.

We're going down, down in an earlier round (take aim at myself)  
And sugar, we're going down swinging (take back what you said)  
I'll be your number one with a bullet (take aim at myself)  
A loaded God complex, cock it and pull it

( Gb G D )
