Im gonna make you bend and break

Say your prayers but let the good times roll

In case god doesn't show (let the good times roll)  
Am  
And I want these words to make things right  
E  
But its the wrongs that make the words come to life  
Dm Am  
Who does he think he is  
E  
If thats the worst you got  
E  
Then you better put your fingers back to the keys

Been looking forward to the future  
E  
But my eyesight is going bad  
Dm Am E7  
And this crystal ball  
Am  
It's always cloudy except for  
E  
When you look into the past ( look into the past )  
Dm E7  
One night stand ( one night stand off )

Am F C G  
In hotel rooms, collecting page six lovers

And get you out of those clothes  
Am F C E  
I'm a liner away from getting you into the mood, whoooaahh
