

# Fall Out Boy - The Mighty Fall

Tom: C

<sup>Am</sup> Did-did you trip down 12 steps into Malibu <sup>Am</sup>  
 (Malibu, ooh, ooh, ooh,)  
<sup>Am</sup> So why the hell is there a light that's keeping us forever <sup>Am</sup>  
<sup>Am</sup> Bel Air baby, did you get dressed up?  
<sup>Am</sup> Pretty pout, pout  
 (While you bottomed out out)  
<sup>Am</sup> I can't stop it when there's chemicals keeping us together <sup>Am</sup>  
<sup>Am</sup> Uh, uh, uh, I'm singing

<sup>Am</sup> Whoa, how the mighty fall <sup>C</sup>  
<sup>Am</sup> The mighty fall <sup>Am</sup>  
<sup>G</sup> The mighty fall <sup>G</sup>  
<sup>Am</sup> They fall in love <sup>Am</sup>  
<sup>C</sup> How the mighty fall <sup>C</sup>  
<sup>Am</sup> The mighty fall <sup>Am</sup>  
<sup>Am</sup> The mighty fall <sup>Am</sup>  
<sup>C</sup> Oh how the mighty fall in love <sup>G</sup> <sup>Am</sup>
