Intro: A E

I got troubled thoughts

And the self-esteem to match

What a catch, what a catch

[Verse 1]

You'll never catch us

So just let me be

Said I'll be fine

Till the hospital or American Embassy

Miss Flack said I still want you back

Yeah, Miss Flack said I still want you back

[Chorus]

I got troubled thoughts

And the self-esteem to match

What a catch, what a catch

And all I can think of

Is the way I'm the one

Who charmed the one

Who gave up on you

Who gave up on you

[Verse 2]

They say the captain

Goes down with the ship

So, when the world ends

Will God go down with it?

Miss Flack said I still want you back

Yeah, Miss Flack said I still want you back

[Chorus]

I got troubled thoughts

And the self-esteem to match

What a catch, what a catch

And all I can think of

Is the way I'm the one

Who charmed the one

Who gave up on you

Who gave up on you

[Bridge 1]

What a catch

What a catch

What a catch

What a catch

I will never end up like him

Behind my back, I already am

Keep a calendar, this way you will always know

[Chorus]

I got troubled thoughts

And the self-esteem to match

What a catch, what a catch

And all I can think of

Is the way I'm the one

Who charmed the one

Who gave up on you

Who gave up on you

[Bridge 2]

Where is your boy tonight?

I hope he is a gentleman...

We're going down, down in an earlier round

And sugar, we're goin' down swinging...

Dance, dance, we're falling apart to halftime

Dance, dance, and these are the lives you'd love to lead...

This ain't a scene, it's a goddamn arms race

This ain't a scene, it's a goddamn arms race...

One night and one more time

Thanks for the memories

Even though they weren't so great...

Growing up, growing up

[Outro]

I got troubled thoughts

And the self-esteem to match

What a catch, what a catch
