

# Fall Out Boy - Where Did The Party Go

Tom: F  
Intro: /Main Line

Verse

Na na na na na na na na na na  
Na na na na na na na na na na

Verse 1:

I'm here to collect your hearts  
It's the only reason that I sing  
I don't believe a word you say but I can't stop listening  
This is the story of how they met  
Her picture was on the back of a pack of cigarettes  
When she touched him he turned ruby red  
A story that they'll never forget

( Bb )  
Never forget

Pre-Chorus:

And all the boys are smoking menthols  
Girls are getting back rubs  
I will appear to you if you if you make yourself shake fast enough  
My old aches become new again  
My old friends become exes again

Chorus:

Where did the party go?  
We're ending it on the phone  
I'm not gonna go home alone  
Where did the party go?

Na na na na na na na na na na  
Na na na na na na na na na na

( Dm C )

Verse 2:

I know I expect too much  
And not enough all at once  
You know I only wanted fun then you got me all fucked up on love  
Oh I looked for your name on the Ouija Board  
And your naked magic oh dear lord  
You and me are the difference between real love and the love on TV

( Bb )  
Love on TV

Pre-Chorus:

And all the boys are smoking menthols  
Girls are getting back rubs  
I will appear to you if you if you make yourself shake fast enough  
My old aches become new again  
My old friends become exes again

Chorus:

Where did the party go?  
We're ending it on the phone  
I'm not gonna go home alone  
Where did the party go?

Na na na na na na na na na na  
Na na na na na na na na na na

Bridge:

We were the kids who screamed  
We weren't the same  
In sweaty rooms  
Now we're doomed to organizing walk-in closets like tombs  
Silent film stars stuck in talking cinema life  
So let's fade away together one dream at a time

Interlude (Not really played but possible):

Na na na na na na na na na na  
Na na na na na na na na na na

Chorus:

Where did the party go?  
We're ending it on the phone  
I'm not gonna go home alone  
Where did the party go?

Na na na na na na na na na na  
Na na na na na na na na na na  
Na na na na na na na na na na  
Na na na na na na na na na na

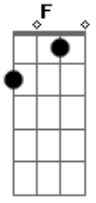

Outro:

Na na na na na na na na na na

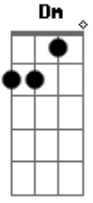

**C** **Dm**
