Guitar 1  
(0:57) "Put your ear..."

I comb the crowd and pick you out  
My mouth moves too fast for you to figure it out  
It starts eyes closed to fingers crossed  
"To I swear, I say"  
To hands between legs, to "whatever it takes"  
To drinks at the club, to the bar  
To the keys to your car  
To hotel stares/stairs to the emergency exit door

Guitar 2

Guitar 1  
(1:02) "But never both"

Guitar 2

Guitar 1  
(1:09) "I hoped you choked..."

To the love, I left my conscience pressed  
Between the pages of the Bible in the drawer  
"What did it ever do for me" I say  
It never calls me when I'm down  
Love never wanted me  
But I took it anyway  
Put your ear to the speaker  
And choose love or sympathy  
But never both  
Love never wanted me

Guitar 2

Guitar 1  
(1:27) "To hands between..."

"I hoped you choked  
And crashed your car"  
Hey "tear catcher", that's all that you are  
And ever were  
From the start  
I swear, I say  
(I swear, I say)

Guitar 2

Chorus: Guitar 1  
(1:42) "To the love..."

To hands between legs, to "whatever it takes"  
To drinks at the club, to the bar  
To the keys to your car  
To hotel stares/stairs to the emergency exit door, no

Guitar 2

Guitar 1  
(1:50) "Of the Bible in the drawer..."

To the love, I left my conscience pressed  
Between the pages of the Bible in the drawer

Guitar 2

"What did it ever do for me" I say  
It never calls me when I'm down  
Love never wanted me  
But I took it anyway  
Put your ear to the speaker  
And choose love or sympathy  
But never both, no

To the "love" I left my conscience pressed  
Through the keyhole, I watched you dress  
Kiss and tell  
Loose lips sink ships

[b]To the "love" I left my conscience pressed  
Through the keyholes, I watched you dress  
Kiss and tell  
Loose lips sink ships  
To the "love" I left my conscience pressed  
Through the keyholes, I watched you dress  
Kiss and tell (kiss and tell)  
Loose lips sink ships  
To the "love" I left my conscience pressed  
To the "love" I left my conscience pressed  
To the "love" I left my conscience pressed  
Between the pages of the Bible in the drawer  
"What did it ever do for me" I say
