Guitar 1
(0:57) "Put your ear..."

I comb the crowd and pick you out
My mouth moves too fast for you to figure it out
It starts eyes closed to fingers crossed
"To I swear, I say"
To hands between legs, to "whatever it takes"
To drinks at the club, to the bar
To the keys to your car
To hotel stares/stairs to the emergency exit door

Guitar 2

Guitar 1
(1:02) "But never both"

To the love, I left my conscience pressed
Between the pages of the Bible in the drawer
"What did it ever do for me" I say
It never calls me when I'm down
Love never wanted me
But I took it anyway
Put your ear to the speaker
And choose love or sympathy
But never both
Love never wanted me

Guitar 2

Guitar 1
(1:09) "I hoped you choked..."

"I hoped you choked
And crashed your car"
Hey "tear catcher", that's all that you are
And ever were
From the start
I swear, I say
(I swear, I say)

Guitar 2

Guitar 1
(1:50) "Of the Bible in the drawer..."

Guitar 2

"What did it ever do for me" I say
It never calls me when I'm down
Love never wanted me
But I took it anyway
Put your ear to the speaker
And choose love or sympathy
But never both, no

To the "love" I left my conscience pressed
Through the keyhole, I watched you dress
Kiss and tell
Loose lips sink ships

[b]To the "love" I left my conscience pressed
Through the keyholes, I watched you dress
Kiss and tell
Loose lips sink ships
To the "love" I left my conscience pressed
Through the keyholes, I watched you dress
Kiss and tell (kiss and tell)
Loose lips sink ships
To the "love" I left my conscience pressed
To the "love" I left my conscience pressed
To the "love" I left my conscience pressed
Between the pages of the Bible in the drawer
"What did it ever do for me" I say
