

Falling In Reverse - I Hate Everyone

Tom: A

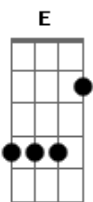

I had a bad day once again
 Please leave me alone
 There must be something I have missed
 Where did I go wrong
 You fucked me up you have no clue
 It's what I get for trusting you
 You're the only reason that
 I hate everyone
 (E Db Ab A)
 I'm sick and tired of all the things
 That keep you away from me
 You go run and tell your friends
 That I' am the enemy
 I hate this house I hate your mom
 And fuck your friends I hate them all
 You're the only reason that
 I hate everyone
 I hate everyone I hate everyone
 You're always talking shit behind my back
 And smile to my face what's up with that
 And you're the reason that I have to hate everyone
 So good luck on fixing me
 And what we could have been
 But you'll always fail to see
 I'm forever broken
 I hate your guts I hate his too
 I hate myself for loving you
 You're the only reason that

I hate everyone
 I hate everyone
 I hate everyone
 You're always talking shit behind my back
 And smile to my face what's up with that
 And you're the reason that I have to hate everyone
 Oh my dear I've seen better days
 Because this is the worst day ever
 And i do hate everyone
 But for you, you are the only exception
 Everyone but you
 I hate everyone
 I hate everyone
 You're always talking shit behind my back
 And smile to my face what's up with that
 If just you only knew the truth
 I hate everyone but you
 I hate everyone
 I hate everyone
 You're always talking shit behind my back
 And smile to my face what's up with that
 If just you only knew the truth
 I hate everyone but you
 I hate everyone
 I hate everyone
 You're always talking shit behind my back
 And smile to my face what's up with that
 And you're the reason that I have to hate everyone
 (E Db Ab A)
